

# Stylish and compact Android terminal with a barcode scanner

myPOS

Combine a credit card reader and barcode scanner in one – meet myPOS Slim! Running on the Android 8.1 operating system and with a 5.5-inch HD colour touchscreen, myPOS Slim is a noteworthy payment companion.

Ultra-light, weighing only 240 g, and with a powerful processor, you can process payments even faster than before. And with a strong, long-lasting battery life, your myPOS Slim will be powered for longer, giving you a reliable service. The device also accepts contactless, magstripe and Chip&PIN payments for flawless payments acceptance.
